

What I Believe	Liberals Believe	Old Texas Democrats Believe
There is One God	Mixed	There is One God
Moral Law cannot be changed	Supreme Court can change Moral law	Moral Law cannot be changed
Marriage is between a man and woman	Same Sex Marriage	Traditional Marriage is between a man and woman
Forcing a person to perform same sex marriage ceremonies is wrong	A person should be jailed if they refuse to marry same-sex couples	Did not have to worry about it because the only type of marriage ever was between a man and woman
Prayer in Schools	Violates Separation of Church a State	Prayer in Schools
Bible in Schools	No	Bible in Schools
The Posting of the Ten Commands	No	The Posting of the Ten Commands
The Quran banned in schools	The Quran should be taught in schools	No Quran in Schools
Nativity scenes in public places	No Nativity scenes in Public	Nativity scenes in public places
Abortion only in special cases	Anytime on demand	Abortion only in special cases
Selling Fetus parts forbidden unless death due to natural causes	Selling all Fetus parts is OK	Never would have wanted it
The Border should be closed	Open Border	Closed Border
Building a Wall will do nothing	No Wall	No Wall
Obama Care is a mistake	100% in favor of Obama Care	The Government does not have the right to force you to buy insurance
2 nd Amendment Rights	Ban Guns	2 nd Amendment Rights
Guns don't kill, people do	Guns are the problem	Guns don't kill, people do
No to School Vouchers (I AGREE WITH LIBERALS, we need to fix public schools)	No to School Vouchers	Did not need to worry, Public School were still good
Welfare for the true needy (drug testing required)	Welfare for all, no drug testing	Welfare for the true needy, but not cradle to grave
Illegals should not get free medical and education at the expense of locals.	Illegals free education and medical	Medical free insurance/education only for citizens or those on the path to citizenship
Standing for the National Anthem	???	Standing for the National Anthem
All Lives Matter, not just Black or White or Brown	Support Black Lives Matter	All lives matter
Support Police	Stand with Black Lives Matter	Support Police
Veterans should be a top priority	???	Vets should be a top priority
Supreme Court members and nominees should not favor political agenda and should not change Moral laws	We want Supreme Justices with Liberal Agenda	Lean toward Supreme Court justices who stick with the constitution
America is a special Country because of the Declaration of Independence: All men are created equal and are endowed by their Creator with certain Unalienable rights	Not Special	Of course America is special, it was founded by men who believe in a Creator
Limited Federal Government	Strong Federal Government	State level control
Restrooms are should be made for Male or Female	Transgender should be allowed in the restroom of their choice	Never had to contend with this, restroom were for Male or Female
Respect for Muslims but not for their laws. Do you really want to treat women as their law treats them?	Do not restrict Muslims believe allow them to hold office regardless of their beliefs	Christianity is America's religion
No Free college tuition (we have enough free that all working people are going have to pay for)	Free college tuition	Free College tuition should be left to the states, otherwise America becomes another Socialist Country
Diversity means some short, some tall, some blond, some brunette, some curly hair, some bald, some fat, some skinny, some black, some white, some red, some yellow, some male, some female; all with their own God given traits	You must include all types including different sexual orientation, color, religion, male, female, transgender	All types and traits of people, all Americans
Should not spend \$ to change the name of Texas Schools or mascots just because they were named after Texas Civil war heroes	Change the names of mascots and schools that offend <u>anyone</u>	History should not be changed
There is nothing wrong with having to show VOTER ID	VOTER ID IS DISCRIMINATORY	We have always had to show voter ID
