

Happy Birthday, MOTHER.
"With Lots of Love"

Dear Mother -

Happy Birthday to you. We are thinking of you on "You Day" and wish we could sing.

"Happy Birthday to you" in person. We received your letter yesterday & were very happy to hear from you. We surely did enjoy having you & Aunt Fay & Brenda come. But you just didn't stay long enough. We want you to come & stay at least a day or 2 or 3 with us.

Mac was very sick last night with vomiting and diarrhea. He may have had a virus or it may have been a sandwich he had for lunch. He stayed in bed all day today. He registered for school Wed & starts Friday.

Many Happy Returns

You have a way about you
That's so special, Mother Dear
That somehow you bring happiness
To everyone you're near
And so each time your birthday comes
It means just that much more
To have the chance to wish you
All the things you're hoping for

We Love You —
Your Children

I believe this was Jan of 67. Viv sent Mother a Birthday Card in Jan., but I could not make a clear copy so this is the typed version of her hand-written notes

You may already know that Roger and Bennie have a little girl born Jan 19 and she weighed 6 lbs 4 Oz. Her name is Robin Rene'. We just today received the announcement! And I told them to let us know right away.

*Note: Roger Reinstra married Bennie Walker after I introduced them. Roger played quarterback for Bum Phillips Nederland Bulldogs and Bennie Walker was a Port Neches twirler with Vivien.

I've been busy with report cards, but that is all over now. We have started the second semester now. I surely can remember this time last year. Can't you? The year has been filled with many wonderful happenings but has really gone by fast. Tomorrow I take my students to the Jesuit Speech Tournament. I surely hope we do well. Wednesday I took 4 students to a Socoptimint (???) Note* I can't read. Club Meeting f for a program next Wed. I'm taking a program to the Garland Jaycees. We also have initiation in Feb and March to the Story Tellers League.

Mother & Dad, thanks so much for all you give to us....
Most of all for your love. Mac is really proud of his hat & wears it all the time. I really appreciate the clothes you spent so much time fixing and then for you to have them cleaned too! We're real proud of our new clothes and everything you've given us. That make's our happy home even happier.

Mother our gifts to you were very small, but the love we send is Big

Big
BIG!

We Love You,
Happy Birthday
Mac & Viv
