

Class History

We, the class of 1960, are proud of the achievements of our class as well as individually. We achieved new goals for the graduating classes of the future. Our football candidate was proclaimed sweetheart with the class raising \$1900, the most ever raised. Our class held together and elected all but two senior candidates as school favorites. All through the year our boys could be found in the athletic spotlight. From our class came a State Track Champion. In the last class competition event, our football boys reigned victorious in the Senior Game. "It's a fact that we'll make history: Senior Class of 1960!" That was our class yell and we feel like we did make history.

SENIOR CLASS SONG:

Though our aims in life are different
May our minds be calm and free
Wise and clear our next decisions
For they guide our destiny.

May the friendships we have made here
Prove to be life-long and true,
May the pleasures we have shared here
Live in cherished memory too.

The years will come, the years will go,
And find us far apart.
We shall not forget our years here
With our hopes and aims turned upward
Class of '60 now departs.

SENIOR CLASS MOTTO: "What we believe determines our destiny"

SENIOR CLASS FLOWER: Red Rose

SENIOR CLASS COLORS: Red and silver
